The Property

This cosy, traditional cottage offers an open-plan kitchen, living and dining area with three good sized bedrooms on the first floor. This cottage offers the perfect combination for enjoying a weekend away with the family or a rental opportunity.

Ground Floor

The open-plan ground floor with dual-aspect windows offers light and airy living/dining and kitchen areas which benefit from views over rear garden and the communal green which can be accessed over the wooden bridge. The kitchen area offers ample space for preparing a dinner to enjoy in the peaceful garden. It has space for oven/hob, washing machine, dishwasher and fridge freezer, which are included in the sale. The dining area is a bright and airy space with a window looking out over the garden at the rear of the property. A recessed fireplace houses the feature log burner and provides a focal point in the living area. Back through the door leads you into the hallway with understairs cupboard and WC.

First Floor

The landing leads to the three good sized bedrooms and family bathroom. Bedroom one looks over the rear of the property and is a good sized double, incorporating a built-in wardrobe as well as an ensuite bathroom. There are two further bedrooms, one to the rear which is currently used as a twin bunk room with built in bunkbeds and the other a larger room used as a double to the front of the property, offering a view over The River Thames.

Outside

The outside of the property offers a good-sized grass area with a bridge leading over the stream to the extended garden which is perfect for games with the family, something the current owners have enjoyed doing during their time in the cottage.
