

CHRISTMAS KITS

Let our head chef, Paul and his team, take the work out of Christmas lunch for you this year, by collecting ready to roast vegetables & fabulous quality meat on Christmas Eve. A perfect way to relax into Christmas; restaurant quality food with zero effort from you.

All of our meat is sourced from the prestigious Jesse Smith's based down the road in Cirencester, who pride themselves on sourcing premium livestock from local farms, with as few miles travelled as possible to ensure a stress-free life for the animal and a fantastic product.

Our selection of prepared vegetables include braised red cabbage, steamed potatoes, carrots and parsnips that are ready to roast with thyme, rosemary and garlic, prepared Brussels sprouts, Yorkshire puddings, sage and onion stuffing and a red wine jus, that just need warming through.

To order, please complete the form below and email it to msiadataan@habitatfirstgroup.com by Friday 15th December to avoid disappointment. Upon receipt of your order, a member of our team will call you to confirm and take payment.

All orders will be available for collection from Ballihoo on Saturday 24th December.
