We know that time to relax with loved ones is precious and that is exactly what Sparrow Hawk provides.

Restriction: There is a restriction on occupancy at Lower Mill Estate to 11 months of the year and the properties may not be used in the period 6th January to 5th February each year as they are holiday homes and not principal places of residence. You must have a first home in order to buy one of our properties.

Treat yourself to breakfast in bed in this beautifully tranquil 2 bedroom home and fall in love with the morning light falling over Howells Mere. Or rise early and take a long walk along the water's edge through the nature reserve. Look out for otters, ducks, deer and keep your eyes peeled for residents of the successfully restored beaver colony. The abundance of flora and fauna is really quite breath-taking.

The approach to Sparrow Hawk is as beautiful as the property itself, with a personal footpath forking off from the main road towards the timber front door and Cotswold stone frontage. There is private parking directly outside of the property.

The house benefits from up-side down living and the standard interior of the ground floor has been altered to create two enormous, very well equipped bedrooms, both with en-suite bathrooms that are finished to a very high specification. The en-suite bathroom of the master bedroom also benefits from zoned under floor heating. These bedrooms have direct access to the ground floor decking which overlooks the serenely still Howells Mere Lake via large sliding French Doors; the perfect place to enjoy your morning coffee and newspaper.

Climb the stairwell to the first floor and the double height vaulted ceiling with full glass frontage floods the open plan living and dining area with light, making the most of the stunning views over Howells Mere Lake and offering wonderful connectivity to the outdoors.

The living area leads directly onto a large first floor balcony with glass balustrading that overhangs the water's edge – an idyllic setting for entertaining family and friends and drinking in the picturesque scenery.

The stylish, modern kitchen is immaculately finished to a high specification with ample storage space and top of the range fixtures and fittings including a built-in oven, dishwasher, fridge, freezer and washer/dryer.

A re-sale this immaculately presented, finished to such a high specification rarely comes on the market and a viewing of this property is highly recommended.
