The Property

This family holiday home is built over three floors and offers flexible and light accommodation throughout with lake views from every floor. Bridge House is surrounded by water on two sides and in addition to a generous, enclosed ground-floor deck, the property benefits from balconies to both the front and rear aspects.

Ground Floor

Comprises a hallway leading to three double bedrooms, one to the front and two to the rear of the property and a family bathroom. The two lakeside bedrooms both enjoy full-height glass sliding doors, providing lake views and access to the rear deck. Of these one also benefits from an ensuite Shower Room. The good-sized family bathroom has both a bath with a mixer tap with a handheld attachment and a separate shower cubicle. On this floor, there is also under stairs storage and a cupboard housing the boiler and hot water cylinder.

First Floor

The open plan living & dining area on the first floor can be accessed via doors to either the kitchen or the living area. The kitchen and dining area are located at the front of this floor. The kitchen comprises a breakfast bar, with a good range of floor and wall units. There is a 1½ bowl sink with mixer tap over, a 5-ring gas hob with extractor over and a single Neff oven beneath. There is a built-in fridge/ freezer, dishwasher and microwave. The dining area can comfortably accommodate family and friends and beside this are double-height glass sliding doors leading to a good-sized south-facing balcony on which to entertain or relax in the sun. To the rear is the living area with a vaulted double-height ceiling incorporating roof lights and glass elevation providing stunning views across the lake. There are sliding doors onto the lakeside balcony and a recessed fireplace with log burning stove.

Second Floor

The second floor comprises of an open plan mezzanine currently used as a second living space/playroom which could easily be adapted as a fourth bedroom. It has a vaulted ceiling with Velux windows and an A-frame design feature on either side. The front has a full glass elevation and to the rear, there is glass

Outside

The house benefits from hedging to the front, between which is a pathway leading to an undercover decked porch across the front of the property, above this, is one of the first-floor balconies accessed via the dining area. To one side of the property is a waterway and to the other a graveled area leading down towards the lake. At the rear is a good-sized ground floor deck enclosed by glass balustrading, which is extremely beneficial if you have young children or pets. For ease of access to the living area, there is a spiral staircase leading to the first-floor rear balcony. There is an allocated parking space and additional visitor parking is a short distance away.

Services

Mains water, electricity, gas central heating. The property has full fibre connection to the Gigaclear network for superfast broadband.

Services & Maintenance Charges
